1. Hemmed in by mountains of sin,
I stumble through the valley—
I unravel from within.
But You lift my head, I behold
Your glory in my valley,
All around me, where You've been
All along.
My faith is small, but make it bold!
Jesus, move this mountain
And let Your command be extolled!

Refrain I believe, yes, I believe;
Please help my unbelief, O Lord!
You alone are mighty to save,
And I believe, yes, I believe.
Bring comfort and relief, O Lord!
Be patient with me;
Give me confidence to say that I believe.

2. Caught in a powerful storm,
I drift in shifting waters
And dark clouds around me swarm.
But You lift my head, and I feel
Your Spirit on these waters,
Hovering to keep me warm
All along.
My faith is small, but make it real!
Jesus, save me from harm
And strengthen me through this ordeal! (*refrain*)

3. Kept from the light of the day,
I wither in the shadows
And my pain keeps me away.
But You lift my head, and I hear
Your voice above these shadows,
Keeping hopelessness at bay
All along.
My faith is small, but draw me near!
Jesus, heal me, I pray,
And guide me until You appear! (*refrain*)
